

How to enter the WVU Parking and Transportation Building from Area 81 after business hours for an event

WVU Parking and Transportation Building – Area 86-Mountaineer Station Garage is attached to this building; Area 81 paved parking lot is located here also.

If you park in area 81 after normal business hours (Monday through Friday), you need to walk up the steps near the bus stop area and walk straight ahead to the open entrance. You can also take the ramp around to this area.

See the entrance to the building in the far distance.

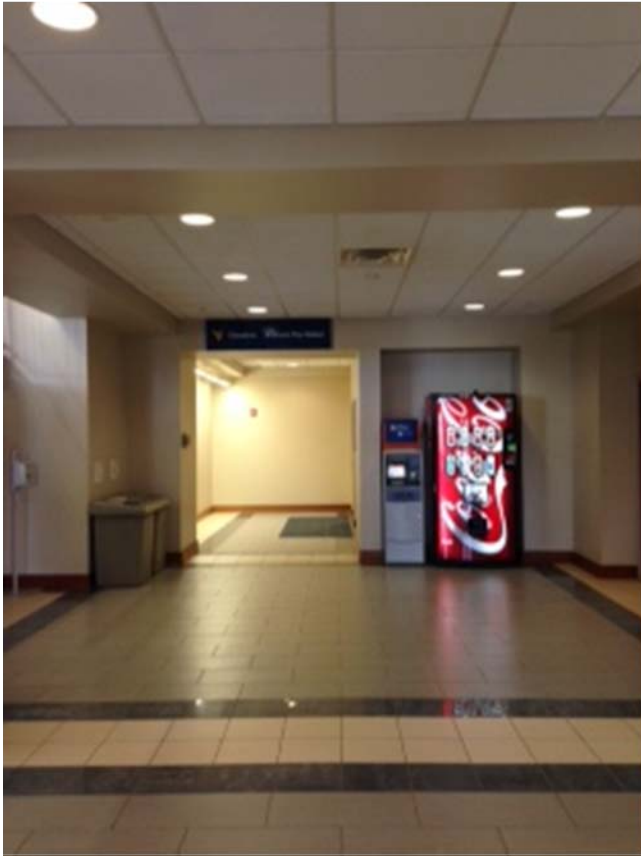

Proceed through this entrance and turn left.

Next, enter the building through these doors and continue down the hallway as shown in the next photo.

Make a right at the end of this hallway (before the glass doors in the distance).

Walk straight ahead to the elevators that will be located to the right. Take the elevators to the 7th floor. Follow the covered walkway to the HSC Learning Center Commons Entrance (4 large marble Pylons will be straight ahead). Follow the School of Pharmacy directional signs to either the Okey Patteson Auditorium or room 1909.
