Activity Description

A two-day activity, consisting of both knowledge and application-based activities, designed for pharmacists, residents, and students. Pharmacist participants will have an opportunity to attend activities on an array of contemporary pharmacy topics. Most notably, 3 hours of controlled substance education will be offered to satisfy West Virginia Board of Pharmacy regulations.

Activity Overall Objectives

- Describe current updates in pharmacy practice
- Explain and discuss new and current rules and regulations impacting pharmacy practice
- Identify and discuss new trends and directions in the practice of pharmacy
- Discuss new drugs and issues related to current drugs and disease states to enhance pharmacist knowledge and a patient's quality of life.

Registration: Friday registration includes up to 8 contact hours of continuing pharmacy education (CPE) for pharmacists, participant handouts (posted online), breakfast, lunch, & breaks. Saturday registration includes up to 8 contact hours of CPE for pharmacists, participant handouts (posted online), breakfast, lunch, & breaks.

Contact Information: For questions or for more info, please contact Brittany Riley, WVSHPEducation Committee Co-Chair at 304-696-7396 or warrick2@marshall.edu

The West Virginia University School of Pharmacy (WVSoP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of CPE. Pharmacists can receive up to a total of 16.0 contact hours (1.6 CEUs) of CPE. There are 8.0 contact hours (0.8 CEUs) on Friday and 8.0 contact hours (0.8 CEUs) of CPE on Saturday. WVUSoP will report your participation in the activity to NABP CPE Monitor within 4-6 weeks for all participants who successfully complete each session. Successful completion includes attending the entire session, signing the attendance sheet and completing an online evaluation form for each session attended. Transcripts of CPE can be printed from NABP CPE Monitor. If needed, statements of credit may be printed at <https://pharmacyce.wvu.edu/user/login>.
